IHI Construction Machinery Limited

PUB.No.2

USE OF THE PARTS CATALOG

1. Preface

Illustrations and diagrams shown in the parts catalog are shown to the extent necessary to identify the part, but are not meant to serve as a detailed representation of the part. To order parts, refer to the itemization given below, then place your order with the servicing plant designated by IHI.

2. How to Read the Parts Catalog

(a) An index and table of contents list each item separately. Please refer to the necessary sections.

(b) Meanings of symbols preceding the parts number

× Part cannot be supplied.

☆ Supplied as a separate part.

Part number is indicated in the remarks column.

△ Special order parts, which are manufactured after the order is received.

Detailed diagram provided separately. Sheet number indicated in the remarks column.

(c) An asterish preceding the part name indicates a compositional part required in part assembly. All subsequent multiple asterisks indicate parts that are structurally required for the assembly of the preceding part.

(d) The quantity, in principle, indicates the number of parts required for one unit of machinery. For parts requiring assembly, the number of parts required to assembly one set is given.

(e) Interchangeability of parts is shown as follows:

0750 729 UA Change from part shown at the top to part shown below.

0750 744 UA ○ The new part is interchangeable with the old.

0750 659 UA Change from part shown at the top to part shown below.

0750 669 UA × The new part is not interchangeable with the old.

(f) Suitability for various machinery

26127 ~ Part used in equipment numbered 26127 and equipment subsequently numbered.

26127 ~ 26169 Part used in equipment numbered 26127 through 26169.

(g) Notes and meanings of abbreviations

Sh. No. Sheet No.

I.D. Inside diameter

L Length

O.D. Outside diameter

t Thickness

P Pitch

W/ With

AR As required (number required)

W/O Without

3. Engine part orders: Please order from your local sales distributor or engine manufacturer, using their catalog.

4. When placing an order for parts, please check that you have clearly specified the following: (1) machinery name, (2) machinery number, (3) parts number, (4) parts name and (5) quantity of parts you are ordering.

5. With regard to improvements to equipment, such modifications may be made without notice.
